

## Sew Inspired Quilt Shop: Electric Quilt 7

### EQ7 Tech Prep School

Tuesday, July 13, 10am-Noon OR 6-8pm, Fee: \$25

Introduction to EQ7 for novice computer users: This class introduces essential concepts of Microsoft Windows and EQ7 to prepare participants to get the most from EQ7 and Sew Inspired's EQ7 Curriculum.

### EQ7 Series

Monthly (1 Friday Daytime, 1 Wednesday evening session)

\$30 each/Season Pass \$175

### EQ7 for Beginners (Wed. July 14, 6-9pm/Fri. July 16, 10am-1pm)

This course introduces the concepts of EQ7 including Sketchbook, Libraries, and Worktables. Participants will learn to do basic quilt layouts, resize projects, and print foundation patterns or rotary cutting directions. (prereq Tech Prep school or comfort using basic laptop/MS Windows).

### EQ7 Quilt Design Basics (Wed. Aug 11, 6-9pm/Fri. Aug 13, 10am-1pm)

This course dives more deeply into quilt layout including borders, sashings, and advanced layout options including on-point, Strip Quilts, one-patch quilts, and an introduction to custom quilt layouts. Basic block grid discussion will help participants learn to design and layout quilts that are consistent and easily constructed. (prereq: EQ7 for Beginners or Confidence in using basic EQ7 Features)

### EQ7 Introduction to Block Design (Wed. Sep 8, 6-9pm/Fri. Sep 10, 10am-1pm)

Learn to use EQ7's powerful block design features to create your own unique blocks or to modify one of the thousands of EQ7 blocks to craft your quilt design. Includes discussions for pieced, appliqué, and foundation pattern block design. (prereq: EQ7 for Beginners or EQ7 Quilt Design Basics)

### EQ7 Working with Fabric Libraries and Scanned Fabric images

#### (Wed. Oct 13, 6-9pm/Fri. Oct 15, 10am-1pm)

Learn techniques for finding just the right fabric images to refine your quilt design. Learn how to locate fabrics by color, download fabric swatches from the internet, and scan/touch up images of your own stash. (prereq: EQ7 for Beginners or EQ7 Quilt Design Basics)

### EQ7 Working with Images (Wed. Nov 10, 6-9pm/Fri. Nov 12, 10am-1pm)

Take advantage of EQ7's latest features for working with images to create unique designs, appliqué patterns, and printable fabrics. (prereq: EQ7 for Beginners or EQ7 Quilt Design Basics)

### EQ7 Advanced Block Design (Wed. Dec 8, 6-9pm/Fri. Dec 10, 10am-1pm)

Use EQ7 to design advanced blocks including Appliqué, Motifs, Curved Piecing, 8 Point Stars, Kaleidoscope, and more. Learn to use photos and images as inspiration and tools for designing your blocks. (prereq: EQ7 for Beginners or EQ7 Quilt Design Basics)

### EQ7 Custom Quilt Layout (Wed. Jan 12, 6-9pm/Fri. Jan 14, 10am-1pm)

Use EQ7's powerful custom layout tools to create a unique layout featuring variable block sizes, medallions, strips, and more. Great for laying out memory and t-shirt quilts as well as using panels and large prints. . (prereq: EQ7 Quilt Design Basics)
